Dear Mrs. Russell,

The United States Equestrian Federation has received several competition evaluations regarding the above-referenced competition held October 12-13, 2013. All evaluations received to date were favorable to your competition. The Federation would like to commend you for holding a competition that these exhibitors considered safe and enjoyable.

The evaluations received reflected high rankings for nearly all categories indicated on the USEF Competition Evaluation form. Some of the highest ratings were reported in the following areas:

- Rules compliance
- Planning and operation
- Announcement system
- Access to veterinarian and farrier
- Steps taken to ensure the safety of competition participants
- Conduct of judge and technical delegate
- Footing in competition and warm up areas
- Lunging areas
- Overall quality and cleanliness of stabling
- Grounds cleanliness
- Water, wash rack, and manure management
- Traffic and parking management

Again, congratulations on hosting a successful competition and for exemplifying the pursuit of excellence in equestrian sport.

Sincerely,
