The NRADC promotes a sense of camaraderie and a fun and a challenging weekend that gives recognition, awards and prizes to our adult amateurs. It is quickly becoming the “go to” event of the fall. There has been an important change in the eligibility requirements -starting in 2015, the NRADC has been open to **all adult amateurs, now including those who ride above 4th level**. Briefly, the NRADC has two championships – the Team and Individual. Riders can do both or just one - the difference in the two divisions is the Individual Championship includes a freestyle. The Team Championship can have three to four riders, who can be a mix of all the levels. If your team has four riders, the lowest score is dropped. The top three scores will determine the team score. The Individual Championship winners are determined from combining the dressage test and the freestyle test, which can ridden either Friday or Sunday.

(A PSG rider will use the 4th level freestyle for the Individual championship.) To qualify for the NRADC, a rider has to submit two scores of a minimum of 60% in any test of the level they intend to compete in. The qualifying time period is from October 10, 2018 to October 1, 2019. In the championship, riders must perform the highest test of their level. The qualifying scores can be earned at either recognized or schooling shows, and horse trials. The judge must be at least a USDF “L” graduate for a schooling show to qualify. The entry fee for both the Team and Individual Championships is \$150.00, which includes three rides - a schooling show ride on Friday, the highest test of the level on Saturday and freestyle on Sunday.
